PUBLIC SAFETY COMMISSION

STAFF REPORT

ITEM 5.2

DATE: JULY 25, 2017

TO: HONORABLE CHAIR AND COMMISSIONERS

FROM: ALIA RODRIGUEZ, SENIOR ADMINISTRATIVE ANALYST

SUBJECT: EASTVALE CRIME STATISTICS DRAFT REPORT

RECOMMENDATION: DISCUSS AND PROVIDE RECOMMENDATION

BACKGROUND

In May 2017, City Council directed staff to coordinate with the Riverside County Sheriff's Department to request and obtain monthly crime statistics for the City of Eastvale. The primary intent of the request was to determine appropriate staffing levels during the City's contract negotiations with the Sheriff's Department. Over several weeks, the City Manager and staff worked collaboratively with Riverside County Sheriff's Department Administration and Management to obtain crime statistics that could be shared with the public and on a regular basis.

DISCUSSION

Upon receiving the data, the Riverside County Sheriff's Department advised staff that the data provided would be reflective of the previous month, or thirty days behind the current month; and that the report would need to include a disclaimer identifying the data as preliminary and raw.

In Attachment 1, City of Eastvale 2017 Crime Statistics Draft Report, the report provides aggregate data comprehensive of non-violent and violent crimes presented by month, year and type in addition year-to-date and total calls for service. The format and details included in the attached draft have been with the input of Councilman Todd Rigby who originally requested this agenda item.

Staff is requesting the Public Safety Commissioners discuss the report and provide feedback to staff that will subsequently be presented to City Council.
